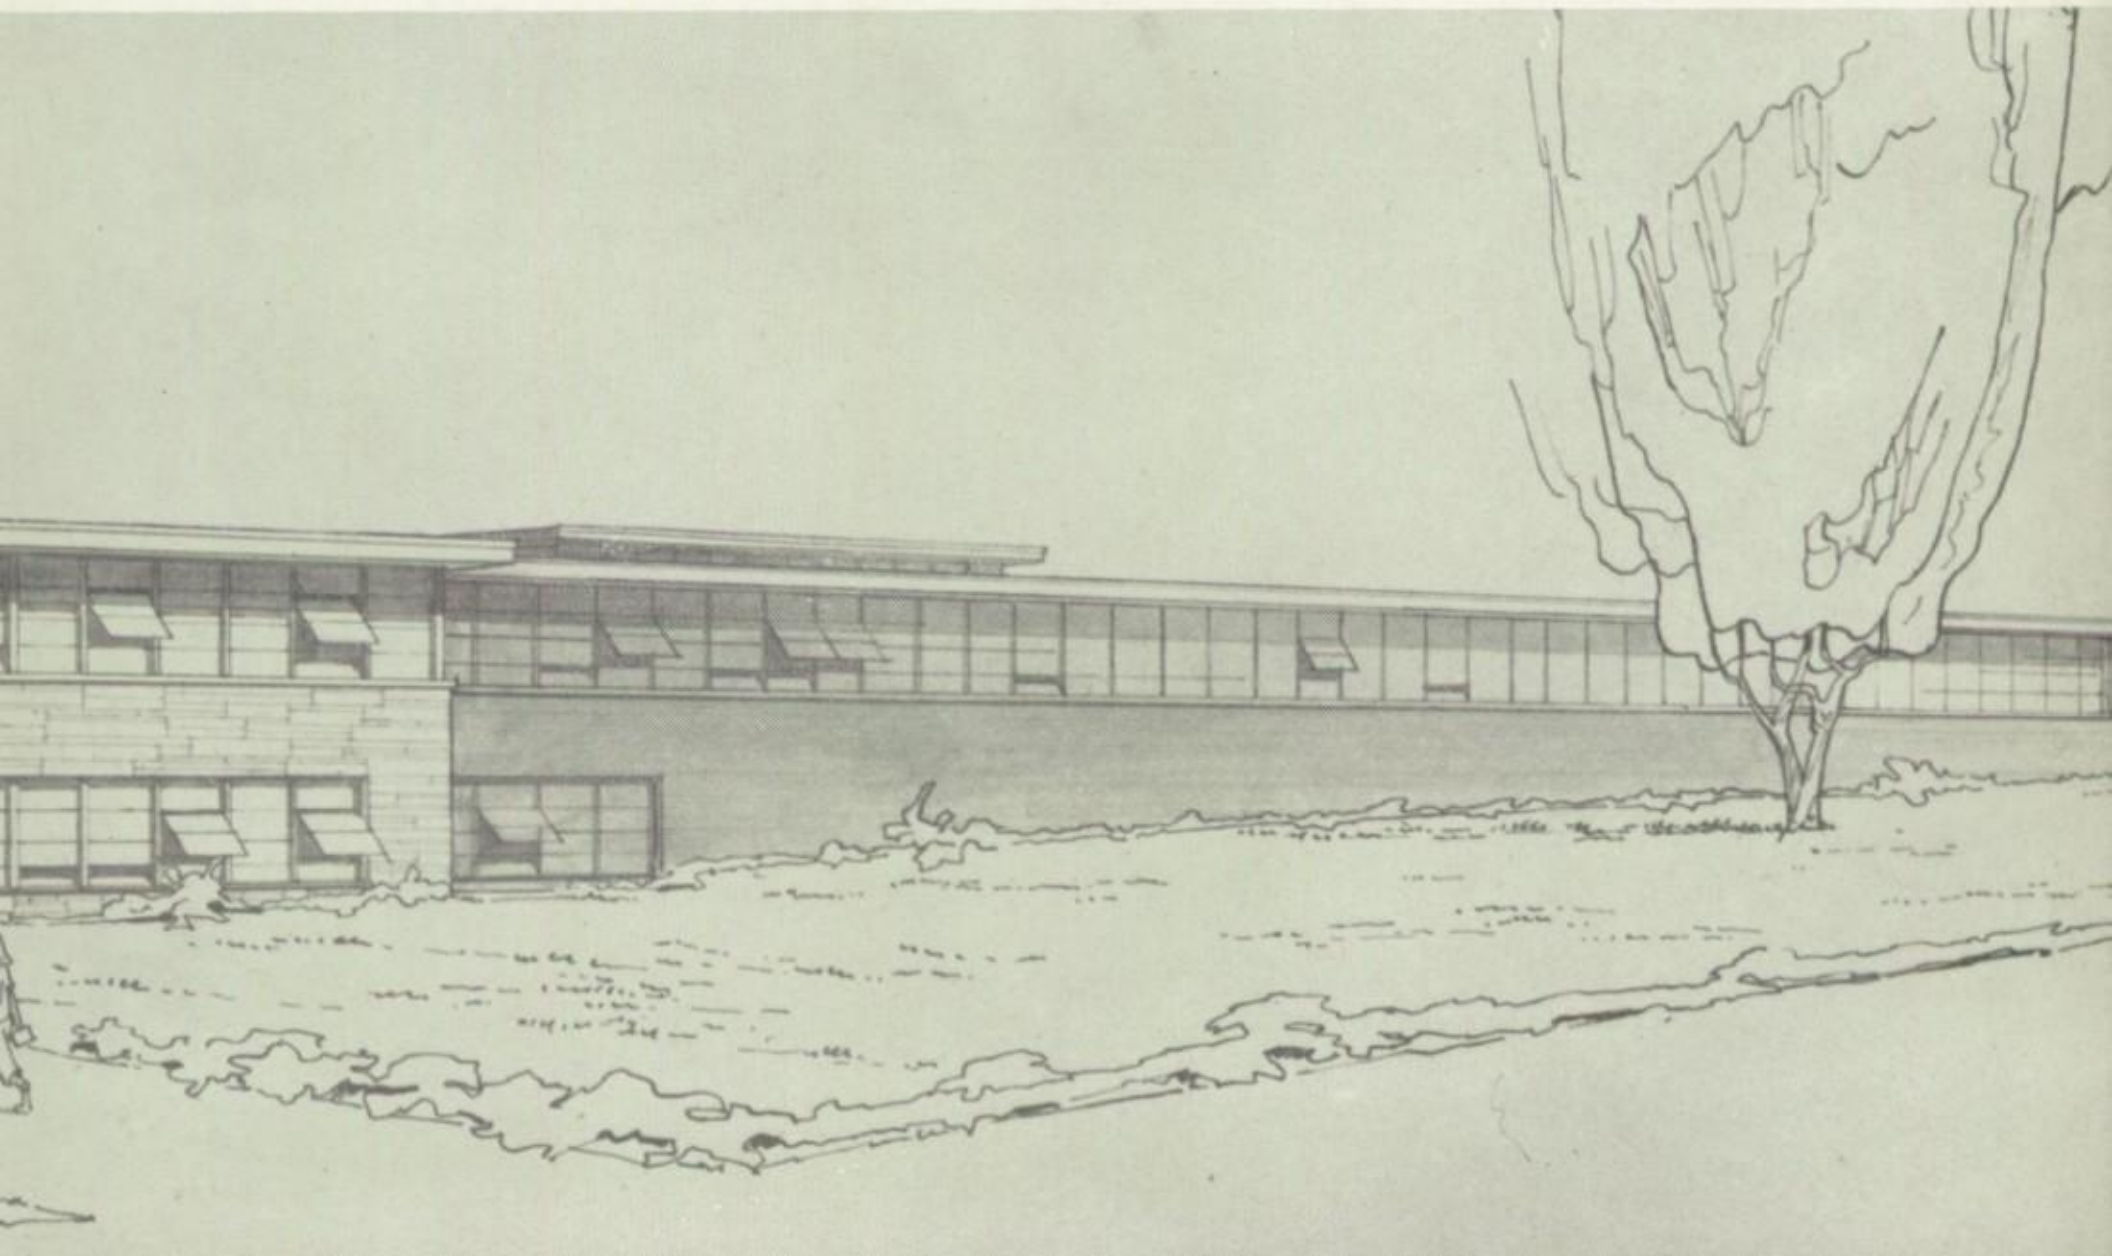
Forword

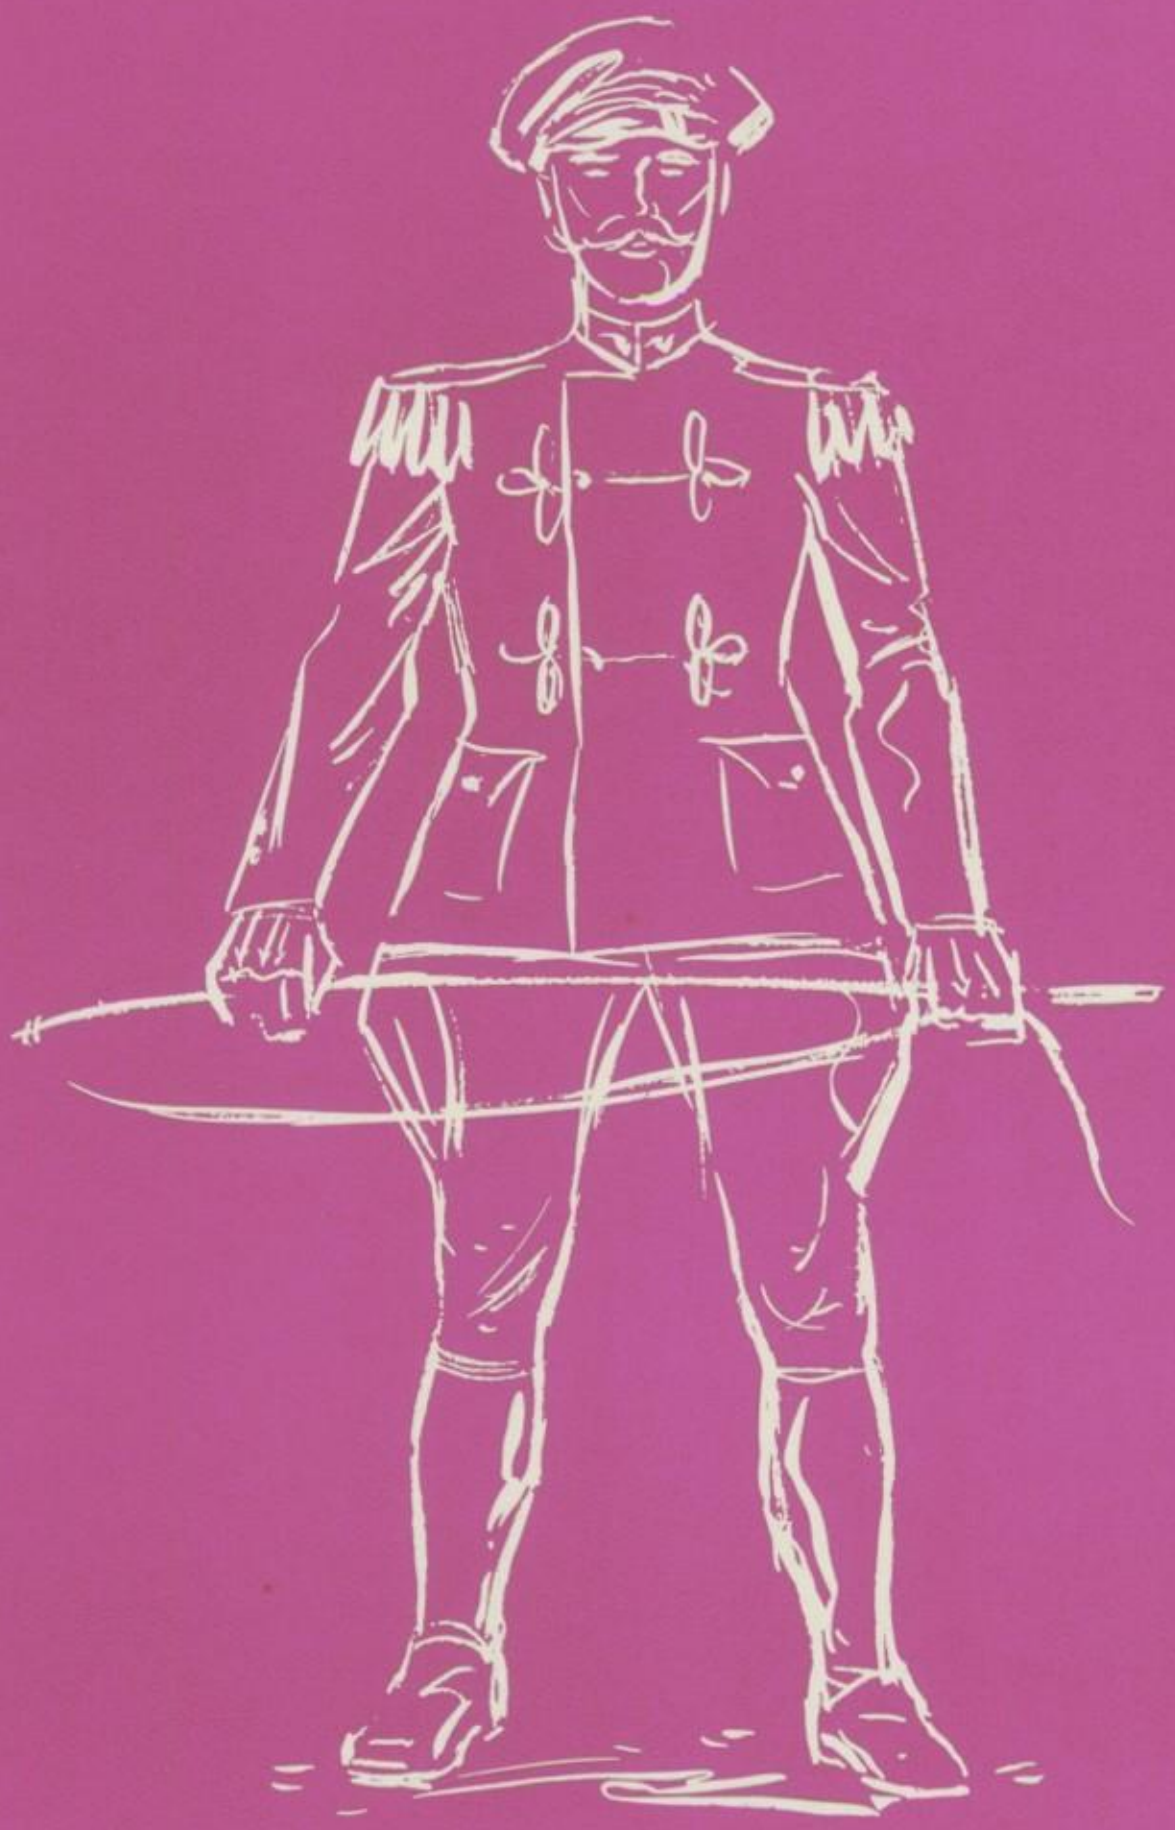
Contained in the pages of our 1951 Lanette, published by the last graduating class in the old building, are the performers and the star attractions of our L. H. S. Big Top. We have tried to put all the acts of the last year into the center ring, so that each one will leave a lasting impression of the good times we shared together.

As the show moves on to the new Big Top next year, we bid a fond farewell to the halls of L. H. S. We sincerely wish the classes who will graduate from the new building all the enjoyment we have had in the old.



Dedication

We, the senior class of 1951, dedicate this annual to our sponsors for their unending efforts to see us successfully through our senior year.



LION TAMER

Superintendent's Message

The educational task of preparing young people for peaceful living in a world of turmoil is even more important than training them for war.

For four years you, the Seniors of Lanark High School, have been under the whip of your trainers, learning new routines and perfecting old ones. The big tent has provided you shelter while you have learned the ideals of democratic living. Now you will be called upon to translate these ideals into reality. Your final performance is over. You have given us a fine show. In the years to come, when you hear the crack of the whip, may you always respond in a way that will forever preserve that which is so dear to us, our American way of life.

E. K. GRAHAM.

Board of Education

One of the most important groups in our school is the Board of Education. Their task is to formulate the policies upon which our school functions. This group is the force that cracks the whip over and around the performers in the Big Top.

These men have been in charge since July 1, 1949. Stanley Finifrock is the ringmaster with Russell Lamoreux as his secretary. They have spent much time trying to keep our school performing smoothly.

At the present time, they are carrying on the task of managing the ground crew to complete our new Big Top, which is fast taking shape.

Were it not for the school board, we would not have had the many opportunities and experiences which we have enjoyed during our high school days. For all these things we are very grateful.

The juniors now accepted the responsibility of being upperclassmen. Their junior year was a busy one.

They won the magazine sale contest and then experienced the excitement of selecting class rings.

The class then worked hard along with their director to present their class play, "Tattletale," in April.

The next big event was the Junior-Senior Prom. With the aid of their ringmasters, this event was made the biggest and most exciting of the year.

Members of the Initiation Committee were Janet Fritz and Jack Ritenour.

Darlene Heckman was Basketball Queen, Leona Larson was candidate for Firemen's Ball Queen.

Student Council members were Leona Larson and Duane Kloepping.

After these somewhat scared freshmen became accustomed to the excitement of high school, they liked it fine. Then came initiation. These freshmen, in their odd costumes with gunny sacks, old stockings on their heads, and large cardboard collars as accessories, provided as much fun for one day as any three-ring circus.

Margaret Stitzel was candidate for Basketball Queen. Mary Brantner was Queen of the Firemen's Ball.

Student Council members elected were Velma Amling and Quentin Brown.

Pep Club

President - - - - -	Lawrence Hubbard

Secretary - - - - -	Bennett Dambman
Treasurer - - - - - -	Ronnie Sturtevant

This is the club you hear yelling as one large group at our football and basketball games The organization is led by the cheerleaders, Thelma Zier, Jean Stone, Lorene Geary, Mary Brantner, Donna Flickinger and sponsored by Miss Lois Leisson. New yells are made and presented to the student body which helps to keep the spirits high at our pep meetings and games.

The homecoming pep meeting and the huge bonfire on our new football field followed by a lively snake dance through the business district were the main activities for this year.

The Future Farmers of America have been paid well for their hard work. During the summer the fat stock and dairy teams received red ribbons; the grain and poultry teams, blue ribbons.

The F. F. A. National Convention was attended by Lawrence Derrer, Loris Daws, Keith Kniss, and their sponsor, Mr. Brown. Our chapter was honored with a Gold Emblem for its program of work. The chapter should be congratulated, as this was the second year for such an award. Only the top eighteen chapters in the United States can receive it.

A Father-Son Banquet was held in the Home Economics Department. The guest speaker was the state president of the organization. Other activities were collecting scrap paper, sponsoring an all school roller skating party, selling hot dogs and candy bars at games, and selling Christmas cards.

The Future Homemakers of America is made up of Home Economics girls.

The chapter feels honored to have had the president of the district for two consecutive years. When Joyce Bear retired from presidency of Section 22, Jo Ann Prins was elected to the chair to serve until 1952. Jo Ann will be sent to East Bay Camp at Bloomington free, where she will receive instructions as to the type of work she is to do next year.

Mrs. Russell Rahn who continues to give inspiration to our chapter is our honorary member. Mrs. Earl Bear is our Chapter Mother.

Other activities were square dancing, courtesy week, the serving of the Commercial Club dinner honoring the F. F. A. For themselves they held a Mother-Daughter potluck supper, inviting the eighth grade girls as their guests.

Miss Ella Sue Beck should be given credit for the good work of this useful organization.

"Tattletale"

Patty was a boy-crazy girl who wrote novels as a hobby. She borrowed a typewriter from her boy friend who had taken it from the principal's office. Everything got mixed up and her diary was printed instead of her novel. She was afraid her parents would be angry with her, but things turned out the opposite. In the end everyone was very happy.

It was a record of 16 won, 10 lost for the varsity this year as Lanark ran into stiff opposition in both the Blackhawk and Carroll Conferences. The strongest competition was our closest rival, Milledgeville, in the Carroll Conference and Mt. Morris in the Blackhawk Conference. In the finals of the Carroll County Tournament the Trojans of Thomson upset Lanark for the Championship. Major letter winners were Dick Miller, Bob Miller, Lawrence Derrer, Paul Butts, Loris Daws, Wayne Martin, Keith Gouker, and Ronnie Sturtevant. Bob Miller and Lawrence Derrer were elected honorary co-captains for the season.

The Freshman-Sophomore team had a very successful season, recording 21 wins against just 2 losses. They were champions of the Carroll County Conference, Co-Champions with Mt. Morris in the Blackhawk Conference, and winner of the Carroll County Tournament. Minor letter winners were George Miller, Richard Flickinger, Duane Lotz, Byron Hawbecker, Rody Rahn, and Quentin Brown.

The purpose of this organization is to bring the girls together to participate in sports. The activities include basketball, volleyball, softball, badminton, and hockey. Occasionally the group is found out of town bowling or skating.

These are the girls responsible for the annual basketball dance. One of the girls is elected queen to reign over the dance. Daddy Date Night is an annual event and play days are anticipated very eagerly.

The organization raises funds by selling hot dogs and candy bars at our football and basketball games. These funds are used to send delegates to the Lake Geneva Officers' Training Camp which is held during the summer.

Miss Lois Leisson is the leader of this active organization.

Class History

A long time ago, in 1939, a troupe of scared little boys and girls entered Lanark Public Grade School to prepare for their performance in the Big Top, Lanark Community Unit High School. After eight years, with the help of the ringmasters, the faculty, they were ready for high school.

Eventually, thirty-four students entered the Big Top. The class officers were: president, Joyce Fickes; vice-president, Tomman Cunningham; secretary, Paul Butts; treasurer, Loris Daws; Student Council members were Jo Ann Bares and Keith Kniss. Dick Miller, a freshman, was a member of the first five on the basketball team. On Initiation Day, the boys came dressed in trousers inside-out and high heeled shoes. The girls came with pajamas inside-out and bedroom slippers. Jo Ann Bares was candidate for Football Queen. Joyce Fickes was candidate for Basketball Queen.

Beginning another year of our four-year contract under the Big Top, were thirty-three performers. The officers were: president, Bennett Dambman; vice-president, Richard Miller; secretary, Jo Ann Bares; treasurer, Ivon Miller. Student Council members were Marjorie Knorr and Keith Kniss. Jean Stone was candidate for Fireman's Ball Queen, and Dorothy Fritz was nominated for Basketball Queen.

As thirty-two performers went on to the third year, they found it very exciting. Their officers were: president, Bennett Dambman; vice-president, Keith Kniss; secretary, Jo Ann Bares; treasurer, Roger Finifrock. Student Council members were Ivon Miller and Jean Stone. Among the events that took place were the magazine sale, selection of class rings, Junior Play—"The Four of Hearts Mystery," and then the Junior-Senior Prom. The theme of the prom was Rose Festival. The prom was held at the Freeport Country Club.

Upon entrance into the senior class, they became star performers. They ran a big show—the annual, senior pictures, caps and gowns, and other preparations for graduation. The class officers were: president, Jo Ann Bares; vice-president, Keith Kniss; secretary, Dorothy Straub; treasurer Bennett Dambman. Student Council members were Jean Stone and Dick Miller. Dorothy Straub was Football Queen. Arlene Stoner was candidate for Fireman's Ball Queen. Dorothy Straub was candidate for Basketball Queen.

Now is the time for them to give their academy award performance in everyday living.

Class Prophecy

Upon wondering what happened to some of the performers that graduated from Lanark's Big Top in 1951, I chanced to meet **Jim Hoover,** just back from winning recognition at the Olympics for his speed in relay races. He told me all about a few of the graduates of '51.

Hazel Bonnell owns and manages a combined dance-hall and restaurant. That is where we are now and here we see many familiar faces. **Keith Kniss** is president of a Lonely Hearts Club. I guess he still hasn't found the ideal mate. **Tom Cunningham,** who dines here, plays goalie for the "Pittsburgh Panti-Waists' ice hockey team. In the same restaurant we find **Don Earnest.** He is the snuff-chewing fight manager of **Gene "Frisky" Miller.** He fights under the title of "Tiger." Every Saturday night **Jo Ann Bares,** figure skating star, dines and dances with **Dick Miller,** pro-football player. They were married and can't decide if they are going to raise a football team or a line of ice skating chorus girls. **Paul Butts** is a famous man-about-town. He has been seen recently with **Phyllis Heckman,** only lady wrestler that wrestles midgets! Jim says that **Ivon Miller** is singing in opera now. **Loris Daws** has his M.D., and is employed to keep Ivon from becoming nervous before concerts. Everyone knows that **Leanella Pieper** has a secret flame in her heart for Ivon. As we were sitting here, **Virginia Walter** came in. She tells us that she teaches kindergarten in New York. She informs us that **Arlene Stoner** is married and she and her husband live in North Carolina. He is an officer of the army there. **Frances Tomlinson,** screen actress, has been dating **Bob Miller,** famous movie producer. **Jean Stone,** a famous registered nurse, now has the ambition to become a doctor and set up a practice. **Bennett Dambman** is now a famous stock broker, who serves also as a presidential adviser in his spare time. **Lawrence Hubbard** and **Bob Truckenmiller,** co-owners of the Bang-Up Fix-It Shop, specialize in repairing Dodges and Pontiacs. Lawrence spends his extra money on maintaining a private stable, while Bob opened a skunk pet shop for his wife. They employ as secretary and bookkeeper in their shop, **Dorothy Straub**, who recently won international fame for her speed and accuracy in typing. **Don Gardner,** well-known stock car racer in this area, has all his repair work done at the Bang-Up Fix-Iit Shop. **Roger Finifrock**, Techanical Sgt. in the Marine Corps, specializes in teaching boxing to recruits. **Dorothy Fritz,** energetic manager of Dot's Dairy Bar, has a few punches she could show Roger, her husband. Jim just told me that **Ronnie Sturtevant** is a wrestler, better known as "Pretty Boy" Sturtevant. **Lawrence Derrer** is dining here with Ronnie. Lawrence is a National F. F. A. Adviser and an F. F. A. American farmer. **Beatrice Grimes** tours Europe and the United States with **Jim Fricke,** and gives concerts whenever asked. Jim spends time spreading international good will throughout the world.

As we discuss Jim, we find that he was the last one of that graduating class. Therefore, we break up our luncheon and go our separate ways. We now know the success of everyone that graduated in 1951.
